At the end of the period fixed by the Board, the restrictions shall terminate and be of no further effect, unless the Board conducts another hearing and further restricts the number of licenses as provided in this section.

The Board of License Commissioners may renew the license if it has been proven that the licensee is making substantial efforts to restore, replace, or repair the building. This extension shall be effective for one year from the date of approval by the Board. If the licensee desires another extension, the licensee shall follow the same procedure. (ii) This paragraph does not apply to a restaurant located in a chain store, supermarket, discount house, drug store, or convenience store.
(iii) In accordance with the alcoholic beverages license quota limitations under subsection (b) of this section, the Board of License Commissioners may issue or transfer a Class B beer (on–sale) license or a Class B beer and wine (on–sale) license for use by:

1. A franchisee who operates a restaurant under a franchise agreement with a franchisor; or

2. A person who operates a restaurant under a business licensing agreement with a licensor.

(iv) Notwithstanding paragraph (1) of this subsection or other provisions of this article, the Board may issue or transfer a license under subparagraph (iii) of this paragraph regardless of whether a Class B beer (on–sale) license or Class B beer and wine (on–sale) license has been issued or transferred for use by:

2. Another person operating a restaurant under a business licensing agreement with the same licensor.

(7) Subject to § 6–201(r)(15) of this article, the Board of License Commissioners may issue:

(i) Up to four Class B–DD (Development District) licenses for restaurants located within the Capital Plaza commercial area, consisting of commercial properties within the area bounded by the Baltimore–Washington Parkway on the west and northwest, Maryland Route 450 on the south, and Cooper Lane on the east and northeast;

(i) An application for an alcoholic beverage license may not be considered prima facie evidence that the applicant or applicants are entitled to the license. Because of the limitation on licenses as set forth in subsection (b) of this section the burden of proof is upon the applicant or applicants to show to the Board of License Commissioners that the issuance of a license to the applicant or applicants is necessary for the accommodation of the public at the premises applied for. The limitations on licenses enumerated in section (b) of this section may not be construed as the number of licenses the Board is obligated to issue.

(2) If a license is issued to a person for the use of a business or club and thereafter the licensee wishes to substitute 1 or more of the officers of the business or club, the licensee may request the substitution by filing a petition with the Board of License Commissioners in lieu of filing a formal application for transfer. Approval of the petition is contingent upon a proper showing that the substitute officer is fit to engage in the business authorized by this article.

(f–1) In Carroll County, if the application is limited to a request for a special or a temporary license, the Board of License Commissioners is exempt from the requirement of a hearing prior to the issuance of a license.

The publication shall specify the name of the licensee, the type of license and the location of the license. The decision of the Harford County Liquor Board becomes effective 5 days following the date of publication of the decision. §12–102.

(a) In order to eliminate the undue stimulation of the sale of alcoholic beverages and the practice of manufacturers and wholesalers in granting secret discounts, rebates, allowances, free goods or other inducement to selected licensees which contribute to a disorderly distribution of alcoholic beverages, it shall be unlawful for any person licensed hereunder as a manufacturer, wholesaler, resident dealer, or nonresident winery permit holder to discriminate directly or indirectly in price, discounts or the quality of merchandise sold, between one dispensary and another dispensary, between one wholesaler and another wholesaler or between one retailer and another retailer purchasing alcoholic beverages bearing the same brand and trade name and of like age and quality. It shall be unlawful for any nonresident dealer, resident dealer, nonresident winery permit holder, or nonresident unlicensed manufacturer to use or promote the use of any such practices for the sale or distribution of alcoholic beverages to or through the manufacturers, wholesalers or county dispensaries in this State. This section shall not restrict a manufacturer, wholesaler, nonresident dealer, resident dealer, or nonresident winery permit holder from limiting the quantity of alcoholic beverages to be sold to any licensee under a voluntary or compulsory plan of ration and the word “purchase” shall not imply that a manufacturer, wholesaler, nonresident dealer, resident dealer, or nonresident winery permit holder shall be required to sell to all licensees from whom they receive orders. The Comptroller may promulgate such rules and regulations as are necessary to carry out the purpose of this section.

(b) A supplier, nonresident dealer, resident dealer, nonresident winery permit holder, or wholesaler may not make a discount, rebate, or depletion allowance that is offered on a product dependent on the pricing policy or practice of the licensee who is invoiced for the product.

(4) Notwithstanding any other provision of this article, the replacement plan that the supplier unilaterally submits to the State Comptroller may include the designation of an authorized representative or wholesaler outside the territory of the wholesaler who refuses to participate in a plan to replace stale or out-of-date malt beverage products.

§12–103.

(a) It is the declared policy of this State that it is necessary to regulate and control the sale and distribution within the State of wines and liquors, for the purpose of fostering and promoting temperance in their consumption and respect for and obedience to the law. In order to eliminate price wars, which unduly stimulate the sale and consumption of wines and liquors and disrupt the orderly sale and distribution thereof, it is hereby declared as the policy of this State that the sale of wines and liquors should be subjected to the following restrictions, prohibitions and regulations. The necessity for the enactment of the provisions of this section is, therefore, declared as a matter of legislative determination.

(b) The Comptroller is authorized and directed, by regulation, to prescribe the maximum discounts which may be allowed by any manufacturer, wholesaler, or nonresident winery permit holder in the sale and distribution of various quantities of wines and liquors. Said regulation may also, in the discretion of the Comptroller, prohibit the giving of discounts by any manufacturer, wholesaler, or nonresident winery permit holder in the sale and distribution of any or all quantities or kinds of wines and liquors.

(c) The Comptroller is authorized and directed, by regulation, to require the filing, from time to time, by any manufacturer, wholesaler, nonresident dealer, resident dealer, or nonresident winery permit holder of schedules of prices at which wines and liquors are sold by such manufacturer, wholesaler, nonresident dealer,
resident dealer, or nonresident winery permit holder and further to require the filing of any proposed price change. Said regulation shall provide that the effective date of any proposed price decrease shall be postponed for such period of time as the Comptroller may prescribe sufficient to permit notice thereof to other manufacturers or wholesalers selling similar wines and liquors and an opportunity for the same to make a like price decrease. Said regulation shall also provide that any manufacturer, wholesaler, nonresident dealer, resident dealer, or nonresident winery permit holder proposing to sell any wines and liquors not currently being sold by the same shall first give notice to the Comptroller of the prices at which such wines and liquors are proposed to be sold; and said regulation shall further provide that sales of such wines and liquors shall not be made for such period of time as the Comptroller may prescribe sufficient to permit notice thereof to other manufacturers or wholesalers selling similar wines and liquors and an opportunity for such other manufacturers or wholesalers to alter the price of such similar wines and liquors so as to make that price comparable to the price fixed by the manufacturer or wholesaler proposing to sell wines and liquors not currently being sold. The Comptroller is authorized and empowered, in promulgating the regulations required by this subsection, to require the filing by any manufacturer, wholesaler, nonresident dealer, resident dealer, or nonresident winery permit holder of any other information with regard to the size, containers, brands, labels, descriptions, packages, quantities to be sold and any other data in connection with wines and liquors as the Comptroller may reasonably determine.

(c–1) The Comptroller may require, by regulation, that suppliers of wholesalers of distilled spirits affirm that the net price of each item offered for sale, exclusive of routine transportation costs, is no higher than the lowest price at which such item is being offered for sale elsewhere within the United States, including the District of Columbia.

(d) Any person violating any of the provisions of any regulation promulgated under the authority contained in this section shall be subject to the penalties provided in §§ 2-101 and 10-401, as the case may be, of this article.

(e) Nothing contained in this section shall be construed to authorize the Comptroller to fix the prices at which any wines and liquors may be sold by any manufacturer, wholesaler, nonresident dealer, resident dealer, or nonresident winery permit holder other than to fix permissible discounts which may be allowed by any manufacturer or wholesaler on such sales and other than to postpone the effective date of any proposed price decrease in the sale and distribution of wines and liquors currently sold by any manufacturer, wholesaler, nonresident dealer, resident dealer, or nonresident winery permit holder or the effective date of the sale of any wines and liquors not currently being sold by any manufacturer, wholesaler, nonresident dealer, resident dealer, or nonresident winery permit holder for a reasonable period sufficient to permit the filing of proposed price decreases or proposed sales of wines and liquors not currently being sold, as the case may be, with the Comptroller and notice thereof to other manufacturers or wholesalers, and an opportunity for the same to make like price changes. Nothing contained in this section shall be construed to require any manufacturer, wholesaler, nonresident dealer, resident dealer, or nonresident winery
permit holder of wines and liquors to make sales to any licensees under the provisions of this article.

In cases in which the additional evidence is taken before the Board of License Commissioners, the said Board of License Commissioners may modify or reverse its previous findings and decision by reason of the additional evidence and shall file with the reviewing court, to become a part of the record, the additional evidence together with any modifications or new findings or decision, and the court may reverse or modify the decision (or modified decision) of the Board of License Commissioners or remand the proceedings to the Board of License Commissioners if the court should determine that the substantial rights of any party
appealing, whether petitioners for a license or objectors to the issuance of a license or any licensee appealing from the decision of the Board, may have been prejudiced.

(2) In such actions of appeal the local licensing board involved may be represented by some qualified attorney designated for such service by the board.

(3) Reserved.

§17–101.

(a) It is the declared policy of the State of Maryland that it is necessary to regulate and control the agreements, franchises and relationships between manufacturers of beer and their distributors for the purpose of fostering and promoting temperance in the consumption thereof, and to promote respect for and obedience to the laws controlling the distribution and sale of beer. It is necessary to accomplish the declared policy in order to eliminate the undue stimulation of sales of beer in this State by manufacturers inducing, coercing, or attempting to induce or coerce, distributors of beer to do acts detrimental to the orderly and lawful distribution thereof by threatened or actual termination of the manufacturer and distributor relationship, directly or indirectly, by the establishment of dual distributors of a brand or brands thereof in a territory presently served by a distributor, or by the sale of the same brand or brands in one territory by more than one franchisee. It is the further declared policy of the State of Maryland that temperance and obedience to the laws controlling the distribution and ultimate sale of beer is promoted by legislation encouraging distributors of beer to make investments in their facilities to serve retail licensees by protecting them against the termination of such distributorships, or other acts described herein, without good cause for such termination or other such
acts. The General Assembly further recognizes the distinction between the nature of the distribution of beer and other alcoholic beverages in that distributors of alcoholic liquors other than beer are franchised by manufacturers to distribute many brands of various kinds of alcoholic beverages and are not as vulnerable to the economic pressures of the manufacturers as are beer distributors, which traditionally handle mainly one, two or three brands of beer in their distributorships.

(b) As used in this title and unless otherwise required by the context:

(1) “Franchise” or “agreement” shall mean one or more of the following:
(i) a commercial relationship between a beer distributor and a beer manufacturer of a definite duration or indefinite duration, which is not required to be evidenced in writing; (ii) a relationship whereby the beer distributor is granted the right to offer and sell the brands of beer offered by the beer manufacturer; (iii) a relationship whereby the beer distributor, as an independent business, constitutes a component of a beer manufacturer’s distribution system; (iv) a relationship whereby the beer distributor’s business is substantially associated with the beer manufacturer's brand, advertising or other commercial symbol designating the beer manufacturer; (v) a relationship whereby the beer distributor's business is substantially reliant on the beer manufacturer for the continued supply of beer; and (vi) a written or oral arrangement for a definite or indefinite period whereby a beer manufacturer grants to a beer distributor a license to use a trade name, trademark, service mark, or related characteristic, and in which there is a community of interest in the marketing of goods or services at wholesale, retail, by lease, or otherwise.

(2) “Franchisee” means any beer distributor to whom a franchise or agreement as defined herein is granted or offered or any beer distributor who is a party to a franchise or agreement as defined herein.

(3) “Franchisor” means any beer manufacturer who enters into any franchise or agreement with a beer distributor or any beer manufacturer who is a party to a franchise or agreement as defined herein.

(4) “Beer distributor” shall mean any person importing or causing to be imported into this State, or purchasing or causing to be purchased within this State, any beer for sale or resale to retailers licensed under this article without regard to whether the business of such person is conducted under the terms of a franchise or any other form of an agreement with a beer manufacturer or manufacturers.

(5) “Beer manufacturer” means every brewer, fermenter, processor, bottler or packager of beer located within or without the State of Maryland, or any other person whether located within or without the State of Maryland who enters into a “franchise” or an “agreement” with any beer distributor doing business in the State of Maryland.

(6) “Person” means a natural person, corporation, partnership, trust, agency, or other entity as well as the individual officers, directors and other persons
in active control of the activities of each such entity.

(7) “Territory” or “sales territory” shall mean the area of sales responsibility designated by any agreement or franchise between any franchisee or franchisor for the brand or brands of any franchisor or any beer manufacturer.

§17–102.

No beer manufacturer shall (1) induce or coerce, or attempt to induce or coerce, any beer distributor to accept delivery of any alcoholic beverage, any form of advertisement, or any other commodity, which shall not have been ordered by the beer distributor; (2) induce or coerce, or attempt to induce or coerce, any beer distributor to do any illegal act or thing, or do any other act unfair to the beer distributor, by threatening to cancel, terminate, or refuse to renew any beer franchise existing between a beer manufacturer, or representative thereof, and a beer distributor; (3) fail or refuse to deliver to a beer distributor having a franchise, or agreement, any beer publicly advertised by it or its agents for immediate sale promptly after such beer distributor’s order shall have been received.

§17–103.

(a) This section does not apply to temporary delivery agreements under § 2–208(c)(1)(i)6 of this article regarding beer festivals or wine and beer festivals.

(b) Notwithstanding the terms, provisions or conditions of any agreement or franchise, no franchisor shall cancel, terminate or refuse to continue or renew any beer franchise, or cause a franchisee to resign from a franchise, unless good cause exists for termination, cancellation, nonrenewal, noncontinuation or causing a resignation; provided, that good cause shall exist if a franchisee’s license to do business in the State is revoked under any provisions of this article.

§17–104.

(a) This section does not apply to temporary delivery agreements under § 2–208(c)(1)(i)6 of this article regarding beer festivals or wine and beer festivals.

(b) Except as provided in this section, a beer manufacturer shall provide a franchisee at least 180 days prior written notice of any intent to terminate, cancel or nonrenew any franchise agreement. The notice shall state all the reasons for the intended termination, cancellation, or nonrenewal. The franchisee shall have 180 days in which to rectify any claimed deficiency. If the deficiency shall be rectified within 180 days of notice, then the proposed termination, cancellation or nonrenewal shall be null and void and without legal effect. The notice provisions of this section shall not apply if the reason for termination, cancellation or nonrenewal is insolvency, the occurrence of an assignment for the benefit of creditors, or bankruptcy.
§17–105.

No franchisor, who shall designate a sales territory for which any franchisee shall be primarily responsible or in which any franchisee is required to concentrate its efforts, shall enter into any franchise or agreement with any other beer distributor for the purpose of establishing an additional franchisee for its brand or brands of beer in the territory being primarily served or concentrated upon by a licensed franchisee.

§17–106.

No franchisee who shall be granted a sales territory for which the franchisee shall be primarily responsible or in which the franchisee is required to concentrate its efforts shall make any sale or delivery of beer to any retail licensee whose place of business is not within the territory granted to the franchisee.

§17–107.

Any beer distributor or franchisee may bring an action against a beer manufacturer, franchisor, or franchisee for violation of this subtitle in any court of general jurisdiction in the State of Maryland to recover damages sustained by reason of any violation of this subtitle and, where appropriate, shall be entitled to injunctive relief. The beer distributor or franchisee, if successful, shall also be entitled to the costs of the action including but not limited to reasonable attorney’s fees.
