

Click to Order

LIMITED TIME OFFER

72 Hours to Mobile and Online Ordering No Setup Fees - No Hidden Transaction Fees*

Click to Order is a quick and easy way for a restaurant to accept online ordering and carry out, with digital payment, through a simple URL.

GET STARTED IN 5 EASY STEPS!

During this time of uncertainty and restricted movement, MyCheck is offering our Click to Order solution at a discount, as a way to help restaurateurs comply with government restriction and keep employees and customers safe, while sustaining their operation.

- \$150 USD a month, 3 month contract minimum
- No set up fees (and we set everything up for you)
- Customer payment is deposited directly into your bank account immediately
- No App or POS integration required
- Share the link through different channels: social media, email, text message, restaurant app or website
- \$50 one-time discount for national and state restaurant association members
- Use a payment acquirer below or use ours for an additional fee

*There are no transaction fees if you are already using the following payment acquirers/gateways:

FirstData	FreedomPay	SafeCharge	RGuest Pay
Chase Paymentech	MasterCard Gateway	Vantiv/WorldPay	TD Bank
Elavon	Merchant Link	3C Payment	PayPal
